

Informal Group - Project Interest Form

ERASMUS+ YOUTH EXCHANGE

A short form to help us get to know you, your informal group or local community, and how we could build this project together.

NO ERASMUS+ EXPERIENCE NEEDED

There are no right or wrong answers. You do not need to know how Erasmus+ projects work. Just tell us about your group, your local community and what feels realistic for you. If something is unclear, we can help.

Short project description / focus

Proposed period (if known)

1. ABOUT YOU & YOUR INFORMAL GROUP

Your name

Country and city / region

Email / WhatsApp

Do you already have an informal group?

Yes

Not yet, but I would like to create one for this project

If yes, tell us a little about your group.

Who are you? How did you come together? What do you usually do together?

WHAT IS AN INFORMAL GROUP?

An informal group is simply a group of young people who decide to work together, even if they do not have an NGO or another legal organisation. The young people who form the informal group do not necessarily have to be the same young people who later travel to Romania. The final mobility participants can be selected later from your informal group or local community.

If you do not have an informal group yet, do you already have people in mind with whom you could create one?

Yes

Maybe - I know some people who might be interested

Not yet - I would need some help

If you already have people in mind, tell us briefly who they are. (Optional)

2. OID & ERASMUS+**WHAT IS AN OID?**

OID means Organisation ID. It is a unique identification number used in Erasmus+ to identify organisations and informal groups taking part in projects. Having an OID does not turn your informal group into an NGO or another legal organisation.

Does your informal group already have an OID?

Yes

No

I don't know

If yes, please write the OID here.

If you do not have an OID, would you like support from Alumnii MPES to set up the informal group and obtain the OID needed for the project?

Yes, please

Maybe - I would like to understand the process first

No, we can manage this ourselves

3. YOUR INFORMAL GROUP / LOCAL COMMUNITY

Why does this project sound useful or interesting for your informal group or local community?

You can tell us about your own experiences, things you see happening around you, or something young people in your community would like to explore, understand or learn more about.

Are there any difficulties that could make it harder for young people from your informal group or local community to take part?

- Money
- Living far away / difficult transport
- Health or disability
- School or work situation
- Language
- Family situation
- Discrimination or not feeling accepted
- Social or personal difficulties
- Something else
- Not really / we don't know yet

Is there anything we could do to make participation easier or safer for them? (Optional)

4. YOUNG PEOPLE WHO COULD PARTICIPATE

YOU DO NOT NEED THE FINAL PARTICIPANTS YET

The people travelling to Romania can be selected later. They can come from your informal group or from your wider local community.

About how many young people do you think you could involve in the mobility?

Do you already know some of the young people who might want to participate?

- Yes, most of them
- Yes, a few of them
- Not yet, but we know where / how we could find interested young people
- Not yet - we would like some support with this

5. BUILDING THE PROJECT TOGETHER

This is not just a trip - we would like to build the project together. What would you feel comfortable helping with?

- Sharing ideas and experiences from our local community
- Joining a few online meetings before the project
- Asking other local young people what they think about the project
- Helping us decide what activities would be useful
- Preparing a small activity or contribution
- Helping prepare the young people who will travel
- Sharing the experience locally after the project
- We're not sure yet - we'd like some guidance

6. INTEREST & NEXT STEPS

If we continue developing this project together, would you like your informal group to be one of the project partners?

Yes

Probably - we'd like to discuss a few things first

We're interested, but we need more information before deciding

Is there anything else you'd like us to know or ask us? (Optional)

WHAT HAPPENS NEXT?

Submitting this form simply tells us that you are interested in exploring the project together with Alumnii MPES. It is not a contract, and it does not commit you or specific young people to travelling. If we continue together, we will discuss the next steps and practical details with you.
