2. LOCAL RELEVANCE & NEEDS

Based on your direct work with young people, what needs, challenges or realities make this project relevant in your local context?

How do you know these needs exist?

- Direct conversations with young people
- Regular youth work / direct observation
- Feedback from activities
- Surveys / questionnaires
- Focus groups / consultations

How do you know these needs exist? (continued)

- Previous projects
- Schools / universities / professionals
- Public institutions / social services
- Statistics / research
- Other

If useful, briefly add any evidence, example or local context we should understand.

3. PEOPLE YOU COULD REALISTICALLY INVOLVE

Maximum number of young participants your organisation could realistically send

Expected age range

Maximum number of these participants who could face fewer opportunities

Current participant situation:

- Specific participants already identified
- Some identified; additional recruitment needed
- Suitable existing pool; selection later
- Recruitment specifically for this project

Relevant barriers among the participants you could realistically involve:

- Disabilities
- Health problems
- Education and training barriers
- Cultural differences
- Social barriers
- Economic barriers
- Discrimination-related barriers
- Geographical barriers
- Other / not yet known

Briefly explain the most relevant barriers and how they could affect participation.

What additional support might these participants need to participate fully and safely?

4. YOUR ORGANISATION'S CONTRIBUTION

If the project is funded, which of the following can your organisation realistically commit to?

- Selecting / recruiting participants
- Consulting participants during preparation
- Participating in partner coordination
- Preparing participants before mobility
- Contributing methods, resources or case studies
- Preparing / facilitating activities
- Providing participant support
- Supporting participants with fewer opportunities
- Organising local follow-up activities
- Supporting dissemination
- Connecting the project with local stakeholders

What specific expertise, contribution or resource can your organisation bring to this project?

5. PRACTICAL COMMITMENTS

PARTICIPATION FEE COMMITMENT

Please confirm whether your organisation can agree that participants selected for this project will not be charged a participation, membership, administrative or similar fee as a condition for taking part in the mobility.

Yes, our organisation agrees

We need to discuss this before confirming our partnership

If discussion is needed, please explain briefly.

Maximum number of group leaders your organisation could realistically provide

Could an accompanying person be required because of participant support needs? If yes, indicate the possible number.

6. EXPECTED VALUE & FOLLOW-UP

What would you most like participants from your organisation to gain from this project?

How could participants use or share what they learn after returning home?

What follow-up could your organisation realistically support?

7. CONFIRMATION & PRELIMINARY COMMITMENT

By submitting this form, we confirm that the information provided reflects our current understanding of the needs of the people we work with and our organisation's realistic capacity to contribute to the proposed project.

We confirm our interest in participating in the further co-design of the project and, should the application be approved, in fulfilling the roles and contributions indicated above, subject to the final project design and Partnership Agreement.
